Dear Friends

Welcome to our 2024 Spring / Summer day excursion brochure, which as we are sure you are aware by now, is not just about day excursions. As you peruse through the booklet, you will note that there are many overnight, weekend and other types of trips available.

You are probably aware too that 2024 is a special year for Jay & Kay as we celebrate 20 years since we embarked on our first ever journey, a 5 day holiday to Torquay. We have come a long way since then, offering hundreds of delightful, competitively priced journeys from day excursions through to 10 day European holidays. This is all down to us having the very best, loyal, customers a company could wish for and at Jay

We endeavour to keep our prices as low as possible, but as you can imagine, this is becoming very difficult as our suppliers increase their costs. Therefore, some price increases are inevitable this year. However, we still believe that we offer the best value for money around and thank you for your understanding.

Please be advised that pick up times are actually coach departure times and not the time you should arrive. Please ensure that you are at your pick up point with plenty of time to spare.

& Kay we thank you for your much appreciated loyalty and support.

You will see that we have some special priced seaside trips at only £20 again this year. In these turbulent times, it is impossible not to see that virtually everything pricewise is rising rapidly, so we are proud to offer, as an anniversary offer, a vast amount of trips at the same price as 2023.

We have lots of new, different and varied excursions for you again in 2024 and we look forward to seeing you travelling and smiling with us again this year.

Happy travelling and best wishes for a wonderful 2024 and beyond.

THURSFORD SPECTACULAR

Lots of customers who haven't been to the show before ask us what's it like. This is impossible to answer because it is like nothing else. The whole ambience of the venue, the show and all the cast exudes class with stunning costumes, lighting, decorations and awesome songs. Many people go year after year as this is such a good show and whether you choose a day trip or an overnight trip, you will not be disappointed. Book early though as these trips sell out very fast.

This year Jay & Kay are again delighted to offer both overnight excursions along with daytrips, giving our customers the experience they prefer.

Overnight trips will stay at the Best Western Knights Hill Hotel and Spa, situated in the beautiful Norfolk countryside near to Kings Lynn. Those who prefer daytrips will enjoy a two course Christmas lunch at Penthorpe nature reserve, before arriving at Thursford for the afternoon show.

2024 AIRSHOWS WITH JAY & KAY

Here at Jay & Kay along with many people throughout the length and breadth of the country, we just love attending ear piercing, nostalgic and iconic airshows. Nothing beats these amazing flying machines strutting their stuff, whilst being excellently manoeuvred in the skies by incredibly skilled pilots.

This year we have four contrasting airshows to choose from. So why not join us on our very first visit to the Clacton airshow, or our annual visit to Eastbourne's famous free airbourne, which also celebrates the 30th anniversary of this event.

Alternatively two different, but both iconic shows, the first being The Royal International Air Tattoo at Fairford, probably the greatest airshow in the world, or the nostalgic and historical Battle of Britain airshow at Duxford.
