Dear friends

Welcome as we launch our 2025 summer day excursion brochure, filled with many excellent and exciting day trips plus a few overnight adventures and ever popular events for later in the year.

Jay & Kay always endeavour to add new excursions to the many regular and popular days out. Despite this getting more difficult each year, we are pleased to announce a good number of new days out such as the trip to Alton Garden Centre with a carvery at the excellent Natural Bake in Hadleigh, Essex, which we are sure will catch your eye.

We have a plethora of trips ranging from short half day trips to places like Polhill Garden Centre, many different excursions to the seaside, shopping areas, countryside

We endeavour to keep our prices as low as possible, but as you can imagine, this is becoming very difficult as our suppliers increase their costs. Therefore, some price increases are inevitable this year. However, we still believe that we offer the best value for money around and thank you for your understanding.

Please be advised that pick up times are actually coach departure times and not the time you should arrive. Please ensure that you are at your pick up point with plenty of time to spare.

days out, excursions with lunches, Blue Ribband events such as Royal Ascot and the Royal International Air Tattoo, trips with top notch guides, river cruises, train rides and much, much more.

On a disappointing note, we have had to greatly reduce our trips to the picturesque Cotswolds until further notice. Bourton on the Water and Bibury have already restricted coach access and now Burford is also looking to limit access as well.

We believe this is totally unfair for those passengers who for whatever reason do not drive and will now be denied access to one of the most stunning parts of the UK. Feel free to voice your concerns to Gloucester & Oxford County Councils.

However, we remain sure that you will have a wonderful year enjoying many days out

THURSFORD SPECTACULAR

Lots of customers who haven't been to the show before ask us what's it like. This is impossible to answer because it is like nothing else. The whole ambience of the venue, the show and all the cast exudes class with stunning costumes, lighting, decorations and awesome songs. Many people go year after year as this is such a good show and whether you choose a day trip or an overnight trip, you will not be disappointed. Book early though as these trips sell out very fast.

This year Jay & Kay are again delighted to offer both overnight excursions along with daytrips, giving our customers the experience they prefer.

Overnight trips will stay at the Best Western Knights Hill Hotel and Spa, situated in the beautiful Norfolk countryside near to Kings Lynn. Those who prefer daytrips will enjoy a two course Christmas lunch at Pensthorpe Nature Reserve, before arriving at Thursford for the afternoon show.
