We have also increased our selection of European destinations and included are holidays to Lake Garda in Italy, the Tyrol region in Austria, Valkenburg in

All hotels are of a very good standard and are based in the home nations of England, Wales and Scotland. Please see pages 8 & 9 for full details of this stunning holiday.

Furthermore, we have added four Unlimited Singles Holidays. Although open to couples, for customers wanting single rooms, these will come in the form of a double or twin room for sole occupancy. Full details are on page 10.

Due to their popularity, we have

increased the number of weekend breaks which include the popular destinations of Weymouth, Eastbourne and Bournemouth and all include Sunday lunch before you return home.

You will be notified of any significant changes to any bookings you have should this arise.

## DOOR TO DOOR SERVICE (Further details on page 5)

Many coach companies offer a series of pick up points and feed these coaches on to your actual holiday coach. This can mean serious delays and roundabout routes before you even begin your holiday. Do you need the inconvenience?

At Jay & Kay Coach Tours we are proud to offer a **DOOR TO DOOR** taxi service on all of our holidays.

This is a unique service in our local area. **WE** will book a taxi to pick you up from your home and advise you approximately 7 days before your holiday of the time. This taxi will take you to the coach, sometimes via another address en-route. Your coach will be ready and waiting for you to board as soon as your taxi arrives at Hall Place. When all the other passengers have arrived, the coach departs for your holiday and does not pick up anywhere else. Upon your return from your holiday, a taxi will collect you at Hall Place to take you home.

Occasionally a taxi can be delayed. Please do not panic, the coach will **NOT** depart without you, as our drivers are expecting you.

In the event that your taxi hasn't arrived within **15 MINUTES** of your designated pick up time, please call our office on **01322 522400**. If your call is out of hours, **PLEASE LISTEN TO THE ANSWERPHONE MESSAGE UNTIL THE END**, where a mobile phone number will be given for you to contact.

## SPECIAL OFFERS

## SUPPLEMENTS EXPLAINED

Some hotels and resorts used by Jay & Kay offer upgraded accommodation and facilities, such as premium rooms and sea views etc.

Occasionally, the only option when you book a holiday, may include a forced upgrade which attracts supplements. This is because room quotas have already been allocated to us in advance of your reservation. In these instances, our staff will inform you at the time of booking and make you fully aware of any financial implications. At this stage you have the right to cancel or proceed with the booking.

Numerous properties offer different aspects available to upgrade and whilst every effort is made to include these in this brochure, it is not always possible.

There are many varieties of upgrade facilities at many hotels, it is much easier to ask or be informed at the time of booking as it would take up so much room in the brochure.

**Some holidays in this brochure are advertised with NO single supplement, however, this only applies to the single rooms allocated.**

**Once the allocated rooms have been reserved, we may ask the hotel for extra single rooms on your behalf, but the hotel may then charge a supplement for the additional rooms granted above our initial allocation.**

## PLEASE NOTE

Some hotels may have split level landings and a few steps to gain access to rooms. Please ask for details when booking.

All holidays are based on half board accommodation unless otherwise stated.

# GRAND TOUR OF GREAT BRITAIN

**A**fter 20 years offering you a multitude of holidays in the UK and Europe, this year we are offering one of our most compelling holidays we have ever undertaken, a magnificent 12-day tour of Britain. We stay at four quality hotels, the Celtic Royal Hotel, Caernarfon, the Riverside Hotel, Kendal, the glorious Dunkeld House Hotel, Perthshire and the excellent Tankersley Manor Hotel and Spa. A superb itinerary has been collated, which includes the days travelling between each hotel. The scenery on this tour will be scintillating with excursions in Snowdonia, the Lake District, Yorkshire Dales, the Scottish Lochs and Southern Highlands. Add to this the great attractions of the little trains of Wales, lake cruises, castles, palaces, gardens and many more interesting towns, cities and villages along the way, this holiday will create memories never to be forgotten.

## ITINERARY

**DAY 1** We embark on our Grand Tour of Great Britain, making our way to Caernarfon and the excellent Celtic Royal Hotel for a three night stay in North Wales, arriving late afternoon.

**DAY 2** We take a scenic trip on a "Little Train of Wales" from Caernarfon to Beddgelert, a charming village in Snowdonia. After time here we board the coach for the short journey to the picturesque Glaslyn Estuary resort of Porthmadog.

**DAY 3** We visit the ever popular seaside town of Llandudno, the premier resort of North Wales. Following time here we again head for the stunning scenery of Snowdonia National Park with a visit to Llanberis via the beautiful pass.

**DAY 4** We depart our hotel and head towards the Cumbrian town of Kendal and the Riverside Hotel. En-route we will visit the medieval city of Chester, close to the border. From here we travel to Bowness on Windermere for a cruise on the famous lake before departing for the hotel arriving late afternoon.

**DAY 5** We take a wonderful scenic tour, exploring the beauty and charm of the famous Yorkshire Dales, which includes a visit to the Wensleydale Cheese Experience.

**DAY 6** A free day to relax or explore the beautiful town of Kendal.

**DAY 7** We depart Cumbria and travel further north across the border into Scotland, heading for beautiful Perthshire, and a four night stay at the Dunkeld House Hotel. En-route we will visit the famous Gretna Green before stopping in the historic city of Stirling. We reach our hotel late afternoon.

**DAY 8** A full day beginning with a visit to the town of Perth, with time to explore or alternatively a visit to the recently re-opened Perth Museum. You or any member of your party may cancel your holiday at any time provided it is communicated to us in writing. You must pay cancellation charges to cover costs. Your cancellation will take effect from the date on which we receive your written confirmation of your cancellation. A reduction in room occupancy may increase the charges for the remaining passengers by the application of supplements for low occupancy of rooms. Where bought in supplies, such as ferries, hotel accommodation etc. have been bought in on your behalf, and where the terms and conditions of the supplier are non-refundable, these products will be charged to you at the full retail rate. If this applies, the non-refundable items will be deducted from your

holiday costs and the following scale of charges will be applied to the remainder:

## 8. ALTERATIONS TO YOUR HOLIDAY BY US

We hope that we will not have to make any change to your holiday but, because our holidays are planned many months in advance, we sometimes do need to make minor changes. We reserve the right to do this at any time. We will let you know about any important changes as soon as possible, including the minimum number of passengers required on the trip. If after booking, and before departure, we make a major change to your holiday, you will have the option of withdrawing from the holiday without penalty or transferring to another holiday without any charge. A major change includes the time of your departure or return time by more than 12 hours, a change in departure point, location of resort or type of hotel, a change in cross channel travel, or specification of the coach. If we tell you about any of these changes after we have confirmed your holiday booking (other than force majeure), you may either:

- accept the new arrangements offered by us; or

- accept a replacement holiday from us of equivalent or similar standard and price (at the date of the change), if we can offer you one; or

- cancel your holiday with us and receive a full refund of all monies.

All holidays operate if the minimum number of participants is met. However, in no case will we cancel your holiday less than 6 weeks before the scheduled departure date, except where you have failed to pay the final balance or because of force majeure (force majeure means an event which we or the suppliers of the services in question could not foresee or avoid and is therefore beyond our control).

## 9. OUR RESPONSIBILITY TO YOU

We accept responsibility for ensuring the holiday which you book with us is supplied as described in our publicity material and the services offered reach a reasonable standard and if you are in difficulty, we will assist you. We will, however, not be liable if there are any unforeseeable or unavoidable actions of a third party not connected with our travel services, or there were unavoidable or extraordinary circumstances, or the lack of conformity is due to a traveller in the party. We will accordingly pay to our clients such damages as might have been awarded in such circumstances under English Law. In respect of carriage by air, sea, tunnel and rail and the provision of accommodation our liability in all cases will be limited in the manner provided by the relevant international convention.

## WHEELCHAIRS

Due to the limited amount of luggage space in each coach, coupled with EU regulations on weight, we reserve the right to refuse carriage for wheelchairs/walking frames that we have not agreed to carry. Please ensure that you inform us of your intention to bring either at the time of booking. Failure to do so may result in carriage being refused. Please note we do not carry Electric Scooters or Chairs.

# TERMS & CONDITIONS

## 10. IF YOU HAVE A COMPLAINT

If you have a problem during your holiday, please inform your driver or the relevant hotel representative immediately who will endeavour to put things right. If your complaint cannot be completely resolved locally, you must report this to your driver or Jay & Kay representative at your earliest convenience whilst on your holiday. Our contact number, for unresolved complaints will be our office number on 01322 522400 (open in office hours) If you remain dissatisfied please follow this up within 7 days of your return home by writing to Jay & Kay Coach Tours giving your original booking reference number and all other relevant information and who you reported to whilst on holiday. It is therefore a condition of this contract that you communicate any problem to the supplier of the services in question AND to our representative whilst in resort. Please contact them at ABTOT, 7th Floor, 69 Leadenhall Street, London EC3A 2BG.

## 11. OUR COACHES

We will always use our own coaches but reserve the right to substitute an alternative vehicle should there be unforeseen circumstances. All seats are allocated at the time of booking which will not be altered unless an alternate vehicle with a different configuration is used.

## 12. HOTEL FACILITIES

Some hotel facilities and entertainment may be withdrawn for routine maintenance or be subject to seasonal availability and provision of the facilities cannot be guaranteed. Single occupancy of rooms may be subject to a supplementary charge.

## 13. HEALTH AND SAFETY

In some foreign countries, standards of infrastructure, safety and hygiene may be lower than those to which we are accustomed in the UK. You should therefore exercise greater care for your own protection. There may be countries that we visit that have special medical requirements for tourists. These regulations are subject to change and our clients are responsible for complying with entry and current health requirements. If you are not sure of the health requirements for the country you are visiting, you are advised to check with your own GP before travelling. You are also advised to refer to the Department of Health leaflet "Health Advice for Travellers".

Some people may be at risk from discomfort or deep vein thrombosis (DVT) if they remain immobile on a journey for a long period. If you are planning to undertake a journey of more than three hours, you should consult your doctor, if you have ever had DVT, pulmonary embolism, a family history of clotting conditions, cancer or treatment for cancer, stroke, and heart or lung disease or if you have had major surgery in the past three months.

We reserve the right to refuse any booking in the absence of a doctor's certificate confirming that you are fit to travel. Where we provide comfort stops you are encouraged to walk around. Exercise reduces any discomfort, which may be caused by periods of immobility.

NO SMOKING is allowed on our coaches (including E-Cigarettes) and we do not allow pets or any other animals.

## 14. TRAVEL DOCUMENTS, ITINERARIES, PICK UP POINTS AND PASSPORTS

For all Continental holidays, you will require a full 10-year British Passport (machine readable) valid for a further 6 months after your holiday. If you do not hold a full British Passport or have any doubts about your status as a resident British subject, you must check with the Embassies or Consulates of the Countries to be visited to confirm the Passport or visa requirements when you book. We cannot accept responsibility if passengers are not in possession of the correct travel documents. For full details on passport requirements, please contact 'the identity and passport service' on 0300 222 0000 ([www.direct.gov.uk](http://www.direct.gov.uk))

You are responsible for ensuring you are at the correct departure point, at the correct time and with the correct documents Jay & Kay Coach Tours reserve the right to modify itineraries to conform with requests from competent authorities both within the UK and abroad.

Excursions which are included in the cost of your booking are detailed on the brochure page and refunds will not be made for excursions not taken. Optional excursions booked and paid for in resort do not form part of your booking. Admission fees to buildings may not be included in the price of the holiday, please check.

## 15. SPECIAL REQUESTS

All special needs and requests, if agreed, should be communicated at the time of booking and be included in the confirmation of the holiday. These cannot be guaranteed except where confirmed as part of our holiday commitment to you and are detailed on your holiday booking confirmation. We are keen to ensure that we plan the arrangements for your holiday so that special needs and requests can be accommodated as far as possible. If you will need assistance or may be unable to fully enjoy all aspects of your holiday you must tell us in advance so that we can maximise your enjoyment of the holiday. We will need to know if you will need special facilities in the hotel, taking part in the excursions or have difficulty boarding and travelling on the coach or other means of transport. Before booking your holiday, you should be sure that you and your party are both physically and mentally capable of completing the itinerary. If you will require a special diet please tell us at the time of booking, or as soon as you are medically advised, together with a copy of the diet.

## 16. PASSENGERS WITH DISABILITIES

We want everyone to enjoy our travel arrangements. We are happy to advise and assist you in choosing a suitable holiday. But, as some of the accommodation and resorts featured may not cater for even minor disabilities, it is important that, when booking, you advise us of any disability, specific need or complex need you may have and any special requirements that will make sure the holiday is suitable. If a passenger requires personal assistance (for example, assistance with feeding, dressing, toileting, mobilising) then this passenger must travel with an able-bodied companion or carer and written confirmation that such assistance

will be provided for the entirety of the holiday is required at the time of booking. Coach drivers/Tour Managers are unable to provide such assistance.

## IMPORTANT

You must tell us if you have an existing medical condition, disability or complex need that may affect your holiday or other group members' enjoyment of it before you book your holiday. We reserve the right to request a doctor's certificate confirming the passenger is fit to travel. If, in our reasonable opinion, your chosen holiday is not suitable for your medical condition or disability, we reserve the right to refuse your booking.

## 17. PASSENGER BEHAVIOUR

We want all our customers to have a happy and carefree holiday. You are responsible for your behaviour and hygiene and the effect it may have on others. If you or any other member of your party is abusive, disruptive or behaves in a way that could cause damage or injury to others or affect their enjoyment of their holiday or which could damage property, we have the right to terminate your contract with us and we will have no further liability or obligation to you. The coach driver/representative, ship's captain, or authorised official is entitled to refuse you boarding if in their reasonable opinion you are unacceptably under the influence of drink or drugs or you are being violent or disruptive. If you are refused boarding on the outward journey, we will regard it as a cancellation by you and we will apply cancellation charges. If on your return journey, we have the right to terminate the contract with you.

## 18. TRAVEL INSURANCE

We strongly advise that you take out personal travel insurance for the trip. The insurance should cover medical and repatriation costs, personal injury, loss of baggage and cancellation charges. If you do not have adequate insurance and require our assistance during your holiday, we reserve the right to reclaim from you any medical repatriation or other expenses which we may incur on your behalf which would otherwise have been met by insurers. You must advise us of the policy number and 24-hour contact number.

## 19. LUGGAGE

Please restrict your luggage to a suitcase weighing no more than 20 kgs per person. We cannot accept responsibility for loss or damage to luggage unless through our negligence. Please do not leave valuable items in your suitcase when left on the coach. Please contact us for our policy on mobility scooters.

## IF YOU ARE TRAVELLING ABROAD

The rules of travel to Europe have changed. Starting in the first half of 2025, some 1.4 billion people from over 60 visa-exempt countries are required to have a travel authorisation to enter most European countries. You will need to apply for ETIAS if you are travelling on any Continental holiday advertised in this brochure, This includes holidays to Spain, Holland, Italy and Austria. However, travel to Ireland and the Channel Islands is currently exempt.

To apply, you will need a valid Passport to which a visa may be affixed. Your Passport should not expire in less

## EUROPEAN ETIAS

than three months and it should not be older than 10 years. If your document expires sooner, this will affect your travel. Any other travel document which does not comply with international standards may be rejected.

### APPLICATION FEE

You will need a payment card to cover the EUR 7 fee. You can use a variety of online payment options to pay the fee. Applicants who are under 18 or above 70 years of age are exempt from this payment. Also exempt are family members of EU citizens or of non-EU nationals who have the right to move freely throughout the European Union. The ETIAS application process requires

an application fee of 7 (EUR) euros. Payment is required to complete the application process. ETIAS will only accept electronic payments from your debit or credit card. Once payment is completed, most applicants will receive an approval within minutes. An approved ETIAS visa waiver will be valid for three consecutive years upon issuance.
